

Category	Eligible energy efficient product	Rebate available	Eligibility Criteria
Home Appliances	Refrigerator	\$200 non-hydro communities \$100 hydro communities	Energy Star® Energy Star®
	Freezers	\$200 non-hydro communities \$100 hydro communities	Energy Star® Energy Star®
	Clothes Washers	\$200 non-hydro communities \$100 hydro communities	Energy Star® Energy Star®
	Dish Washers	\$200 non-hydro communities \$100 hydro communities	Energy Star® Energy Star®
Heating Appliances	Woodstove, wood furnaces/boilers and Oil Monitors	\$300	woodstove/furnaces:EPA 40 CFR Part 60 or CSA - B415.1-M92 approved; Woodboilers: EPA White Tag certified
	Wood pellet stoves, Pellet furnaces/boilers	\$300	ULC certified
	Heat recovery ventilator	\$300	certified by the Home Ventilating Institute
	Oil furnances and boilers	\$500 - oil furnace/boiler 90% efficiency	Energy Star® 90% AFUE or better
		\$300 - oil furnace/boiler 85% efficiency	Energy Star® 85% AFUE or better
	Oil furnances for Mobile Homes	\$250 - 80.0% AFUE or better	80.0% AFUE or better
	Propane furnaces and boilers	\$500 - Propane furnace/boiler 92% efficiency	Energy Star® 92% AFUE or better
\$300 - Propane furnace/boiler 90% efficiency		Energy Star® 90% AFUE or better	
Water Heating	Solar Hot water heating systems	\$500 - solar domestic hot water system	Tied to Federal Eco-Energy for Homes Program
	Drain Water Heat Recovery System (DWHRs)	\$100 - DWHRs	Tied to Federal Eco-Energy for Homes Program (eligibility list established)
Transportation	Outboard motors	\$250 - less than 30hp \$500 - 30hp or greater	California Air Resources Board (CARB) 3 star rating
