### HOW THE REBATE WORKS

- Purchase a new qualified heating appliance between April 1, 2009 and February 28, 2010. Note; this program is subject to budget availability.
  - A list of eligible appliances (along with the programs application form) is available at your local retail outlet or online at [www.esc.govyk.ca](http://www.esc.govyk.ca).
- Complete the Application Form and attach a copy of the Sales Receipt, along with the EnerGuide card and inspection report (if applicable).**
  - **Ensure the sales receipt (proof of purchase) clearly indicates 'payment in full', the amount paid, the date of purchase, and the make and model of the appliance.**
  - **Ensure that the name on the invoice matches the name on the rebate application.**
- Mail or deliver the application form, a copy of the sales receipt and inspection report to the Energy Solutions Centre.
  - All rebate application and sales receipt must be received by March 15, 2010.
  - The Energy Solutions Centre is not responsible for lost, late, incomplete or ineligible submissions.
  - Please allow eight weeks for delivery of your rebate cheque.

*Information is collected in accordance with section 29 of the ATIPP Act and is being collected to satisfy the requirements of the Good Energy Program.*
